CUBBY PROJECT

EDP would like to recognize and thank the members of the **School Board Facilities Committee** for organizing, fundraising, and making our new cubbies a reality.

These hardworking school board leaders include: Adam Kirk, Junior Torres, Eddie Horne, David Sink, and Patrick McCarthy. Special thanks to Junior Torres for the painting and sealing of the area. We also wish to thank all of our **sponsors** for their donations which made our cubby dream a reality. A big thank you also to Wolf Sampson who did an amazing job getting the space ready for installation! Once again, our counselor team and our children thank you!

We are eager to begin using our cubbies!

The cubby room will be open from 2:40pm – 6:00pm, this room is located near the cafeteria across from Mrs. Marlowe's classroom. **The cubby room is comparable to a long hallway, so we ask that an adult be present when getting belongings.**

Each cubby will have a grade theme name tag with a first and last name in the front so that finding belongings will be easy!

PreK & K: Jungle theme name tag located on bottom

1 – 3: Sports theme name tag located in middle

4 -8: Confetti theme name tag located on top
