Committee Descriptions

Fundraising Committees

Our school fundraisers require the largest number of volunteers and each placement asks that committee members help plan, run and secure sponsorships (if applicable) for the event.

Charleston Wrap: Early Fall; Product Delivery in October

This committee helps with packet and prize distribution at school in early fall and organizes the product for parent pickup when it arrives in October.

Disney Raffle: Late Spring

This event will focus on each family selling raffle tickets for a 5-day/4-night trip to Walt Disney World! Prizes will need to be secured and of course, selling lots and lots of raffle tickets!

Easy Money: Throughout the year

This committee oversees and encourages family involvement in Publix Partners, Box Tops for Education, and Amazon Smile.

Fall Fundraiser: October, 2021

This event involves planning food and beverage, entertainment, silent auction, securing sponsorships as well as other fundraising endeavors. Activities include event planning, auction support, set-up, clean-up, and decorating. ***Great for couples since this is a family event!***

Spring Fundraiser: Early Spring

Like the Fall Fundraiser, this is a large committee, so no one is left with a large amount of work. Sponsorships and auction items will need to be secured for this event. Activities include event planning, auction support, set-up, clean-up, and decorating.

Used Uniform Sales: Throughout the year

Help organize and maintain inventory of used uniforms; assist with semi-annual used uniform sales.
